✠

Adieu, sweet friends,—I have waited long
To hear the message that calls me home,
And now it comes like a low sweet song
Of welcome over the river's foam;
And my heart shall ache and my feet shall roam
No more—no more: I am going home.

Home, where no storm - where no tempest raves,
In the light of the calm, eternal day;
Where no willows weep over lonely graves
And the tears from our eyelids are kissed away,
And my soul shall sigh, and my feet shall roam
No more—no more: I am going home.
